

THE POPLI KHALATBARI CHARITABLE FOUNDATION

Blessed is he who reaches out to those in need

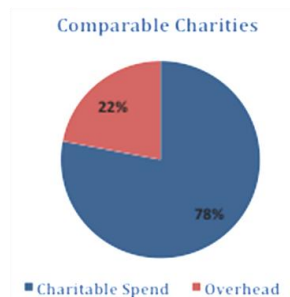

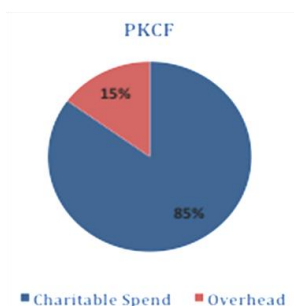

The Popli Khalatbari Charitable Foundation was launched in 1998 by the family and friends of the late Popli Khalatbari, who wished to honour her memory by distributing the funds from her estate in a manner befitting the spirit in which she led her life.

PKCF supports charitable purposes worldwide, with a specific focus on the education and welfare of disadvantaged children and youngsters. Amongst other projects we have build schools, support orphanages, aid in disaster relief and have set up a medical fund. By either funding existing projects or setting up our own, we strive to bring hope and opportunities to children in need across four continents.

Key Facts

- **£5,144,000** distributed globally since 1998
- **2100+** children under the care of establishments supported by PKCF
- PKCF members visit the major projects several times each year to personally supervise and manage projects
